

Group Coding Assignment – Module 2

Criteria	Excellent 60 to >55.0 pts	Good 55 to >50.0 pts	Fair 50 to >40.0 pts	Below Expectations 40 to >0 pts
Code Explanation	Provides a comprehensive and detailed explanation of the code, including the mappers and reducers and all key-value pairs, and shows a deep understanding of MapReduce programming.	Provides an adequate explanation of the code and demonstrates a solid understanding of MapReduce programming.	Provides a basic explanation of the code and demonstrates some understanding of MapReduce programming.	Provides a vague or incomplete explanation of the code.
Criteria	Excellent 20 to >18.0 pts	Good 18 to >16.0 pts	Fair 16 to >14.0 pts	Below Expectations 14 to >0 pts
Suggestions for Improvement	Provides multiple well-reasoned and detailed suggestions for improving the program, and explains the benefits of each suggestion in depth.	Provides one or two suggestions for improving the program, and explains the benefits of each suggestion.	Provides one or two basic suggestions for improving the program, but the explanation of the benefits is limited.	Provides vague or irrelevant suggestions for improving the program, or fails to explain how the suggestions would enhance the program.
Criteria	Excellent 10 to >5 pts	Good 9 to >8 pts	Fair 8 to >7 pts	Below Expectations 7 to >0 pts
Additional Learning	Provides a detailed and insightful description of additional learning, with concrete examples of new knowledge or insights gained.	Provides some description of additional learning, with some examples of new knowledge or insights gained.	Provides a basic description of additional learning, with limited examples of new knowledge or insights gained.	Fails to provide any meaningful description of additional learning beyond the specific questions asked.

Criteria	Excellent 10 to >9 pts	Good 9 to >8 pts	Fair 8 to >7 pts	Below Expectations 7 to >0 pts
Grammar, Mechanics and Clarity	Ideas are well-organized, and responses are clear and easy to follow. Responses are free of grammatical, spelling, and punctuation errors. The language is clear and precise, and there is a consistent use of proper grammar and punctuation throughout.	Ideas are generally well-organized, and responses are clear and mostly easy to follow. Responses contain few grammatical, spelling, and punctuation errors. The language is generally clear and precise, and there is mostly consistent use of proper grammar and punctuation.	Ideas are somewhat disorganized, and responses are somewhat unclear and difficult to follow at times. Responses contain some grammatical, spelling, and punctuation errors that may be distracting to the reader. The language is somewhat unclear at times, and there may be some issues with proper grammar and punctuation.	Ideas are poorly organized, and responses are unclear and difficult to follow. Responses contain significant grammatical, spelling, and punctuation errors that are distracting to the reader. The language is unclear and imprecise, and there are significant issues with proper grammar and punctuation.
